

# How To Obtain Your MSDN-AA Software for Your CIS Classes at De Anza College

1. Using your browser on your PC, go to the CIS Departments' website:

<http://cis.deanza.edu>

2. Click on the **Overview** link at the top of the page:

3. On the *Overview* page of the CIS Department website, click on the middle advertisement on the right-hand side of the page which says: **Visit E-Academy.com to Download Your Copy**

**The ELMS Website Should Now be Visible in Your Browser Window.**

4. Once the ELMS website is loaded in your browser, click on the **Log In** link in the upper left hand corner of the web page:

5. On the *Log In* page, look for the '**Login Help**' dialog box and click on the **here** link.

6. On the *Password Reminder* page, enter your email address that you gave to De Anza College for contact purposes.

**Upon completion of the submission of your email address to the ELMS system, you will receive an email that will contain your ELMS username (your email address) and your system assigned password that will allow you to log in to the ELMS website and download any software you need to complete your class work at home.**
