I <3 Clubbing @ De Anza

1. Call to Order

ICC Chairperson, Tu Hoang, called the meeting to order at 1:32pm

2. Guest Speaker(s): (2)

- Danny Acosta, Assistant Police Chief, X8919, acostadanny@fhda.edu
I'm here to let you students know about the services that we provide here for you guys. We are trained in first aid for the safety of our students, faculty, and staff. We also provide safety escort services if you ever want someone to help you get back to your car on campus. We are available from 6:00am to 11:00pm. We will also help you get back into your car if you accidentally lock your keys in your car. We would just need to verify your identification and that the car is actually yours and not someone else's. We also provide battery startups if your car battery ever dies on you. Winter is about the time where this often happens to students. We also have a Lost and Found located in our De Anza Office. You may call the office or visit us as we are located right next to the Health Services Office. We will also help you get back into a classroom if you were to ever have your stuff locked in the room. We, of course, would need to verify that it actually is your belongings. When clubs have meeting or event, we can get the door open for you as well. It is always best to schedule with us ahead, your club advisor needs to be there all time and the verification of the meeting room request may take 20 minutes.

- Vanessa Smith, Communications Associate, (408) 864-8948, smithvanessa@deanza.edu

If you have any club events and would like me to post it on the website calendar, please email me the date and location of the event. If you want to send me photos of your club at an event, please feel free to do so! If you have any info about events occurring on campus, you may share with me. I will also posts club events on our events calendar on our website.
