Dear ICC Selection Committee, I am excited to apply for the position of Chair of Marketing for the Inter Club Council at De Anza College. As a highly motivated and experienced individual, I believe that I would make a valuable addition to the team. My passion for marketing and leadership has been honed through my experience speaking in front of large audiences at multiple conferences, managing finances and budgets for camps over the summer, and leading clubs of my own in high school. These experiences have taught me the importance of effective communication, strategic planning, and teamwork, all of which are essential skills for this position. I wish to be part of the ICC because I am dedicated to supporting the diverse range of clubs and organizations on campus. I believe that by working together, we can create a vibrant and engaging community that fosters personal growth and academic success. If selected for this position, I will use my expertise to develop innovative marketing strategies that promote the events and activities of the clubs. I will also ensure that the ICC is organized, efficient, and transparent in its decision-making processes. My goal is to help create a supportive and inclusive environment where all students can thrive. Thank you for your consideration of my application. I look forward to the opportunity to serve as the Chair of Marketing for the Inter Club Council at De Anza College. Sincerely, Dan Gotesdyner.

I'm active with my emails, I'm fast with responses, I'm very proactive when it comes to any assignment given to me. Overall, when it comes to big assignments or anything that I know where others are depending on me, I will do what is needed of me. Other than that, I work along well with anyone and pretty transparent on how I feel not to mention I am pretty friendly and non-judgmental towards anyone generally speaking.
