## ICC Chair of Programs Candidates (5/15)

Listed in Alphabetical Order (first name)

### Allison Trinh

I want to join the ICC as a chair of programs because of my passion for event planning and building community engagement. I have a strong passion to contribute to the lively campus life by organizing exciting ICC events like Club Day and Flea Market. These events allow clubs to showcase their activities and for De Anza students to explore their interests and hobbies further! I am the best candidate for the position because I am organized, detailed, and adaptable meaning I can think quick on my feet if problems arise.

### Kaung Lett Yhone

I have always wanted to be a part of ICC and hearing from [the 2023-2024 ICC Chair of Club Affairs] about it, I just love to do it!
